— What we offer brand partners

- **Dedicated storefronts**

Category-focused stores where your products sit next to complementary brands, with brand landing pages and clean, consistent product imagery.

- **Our own fulfillment**

Inventory stored and shipped from our Clearwater warehouse, so we control packaging and delivery quality.

- **Accurate product content**

Clear titles, specifications and descriptions built from your official product information.

- **Launch and promotion support**

We feature new products and coordinate promotions with your team, within your pricing policies.

— Our commitments to brands

- + We purchase only from manufacturers and their authorized distribution channels.
- + We respect each brand's pricing and MAP policies and advertised-price guidelines.
- + We do not resell partner inventory to unauthorized third-party sellers.
- + We present products accurately and protect brand imagery and trademarks.
- + We handle customer service and warranty support professionally, in line with brand standards.
